School Description

Twin Oaks Elementary School is one of sixteen schools in the Rocklin Unified School District. The school serves students in kindergarten through sixth grade, with approximately 495 students. The school is located in the center of an established and supportive community with a high level of family participation. Twin Oaks opened in 1999.

The staff provides a comprehensive learning environment. Academics and Leadership are the primary focus of the school. The staff understands that a caring environment fosters self-worth and individual development is essential to realize academic success. The students are encouraged to approach all facets of their learning with confidence to take an active role in the learning process. As a Leader in Me school, Twin Oaks Elementary School has developed a foundation of Leadership based on The 7 Habits of Highly Successful People and the Baldrige Criteria for Performance Excellence.

Rules of conduct are simple and consequences are reasonable, related and respectful. The staff welcomes the direct involvement of the community in these efforts. Parents and staff are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-worth while achieving their highest academic potential.

Mission Statement:

The mission of Twin Oaks Elementary, a Leader in Me Lighthouse School, is to challenge all students to develop their unique potential, become life-long learners, and value their community through a school distinguished by:

A culture of personal leadership development
Engaging and relevant instruction with high academic expectations
Respectful collaboration and communication

Twin Oaks. Growing tomorrow's leaders today.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school is a beautiful facility, which opened in 1999. It is a clean, well cared for campus that provides an exemplary environment for student learning. It is a school of which students, staff, and parents can be proud. It has become a hub for students and community members. Our facilities are used every afternoon and evening. Sports and recreation activities, clubs and other local organizations regularly utilize the campus. These activities enrich the lives of the community members and the school population.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Socioeconomically Disadvantaged	18	18	100.0	66.7
Students with Disabilities	17	17	100.0	58.8

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	5	17	17	100.0	17.6
	6	12	12	100.0	8.3

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parental involvement is available through our school's Parent-Teacher Club which has regular meetings and through many opportunities to assist students and staff. Parents and community members play an important role at Twin Oaks Elementary School through active participation and involvement in the School Site Council and PTC. Over 250 parents regularly volunteer their supportive services within our classrooms. Visit our PTC website for more ways to volunteer: <http://toesptc.com>.

Parents are also welcome to volunteer in our classrooms to support instruction, classroom activities, and other needs identified by individual teachers. Clear TB and fingerprints are required.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Twin Oaks has a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous situations, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding suspension/expulsion, sexual harassment, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. It also includes an action plan for implementation. During the school year, we set aside time during staff meetings to discuss current safety issues, and provide district in-services covering areas including emergency CPR and First Aid Training.

Date of Last Review/Update: February 1, 2017 with Site Council. Date Last Discussed with Staff: November 18, 2016.
